# Power DecoAir

## Boost your communication !

We propose you a high-market inflatable system that can be used during the day and at night, indoor or outdoor, as a suspension or on the floor. We will create, for you, a specific pattern to be printed on **cones, tubes and balls**.

Combine communication and style, using defined shapes, such as **champagne bottles, perfume bottles...**

### Select :

- your style .....● ball, cone, tube, tailored shape
- your diameter .....● 500 . 800 . 1000 mm
- your height .....● from 2 to 12 m
- your colour .....● white – yellow – green – blue - orange
- your lights .....● LED or LIGHT
- your printing

### Ideal for :

- Agents
- Banks
- Perfume shop
- Jewellery shop
- Town halls
- Institutions
- Emergency and fire stations

- Lounge
- Seminars
- Presentation of products
- Shows and events
- Stands
- Event agencies
- Store fitters

- Architects
- Restaurants
- Shop centers
- Museums
- Other shops
- ...

- **Made in France**
- **3-year guarantee**  
(except fabrics)
- **FiFi**
- **Separate or DMX mode**  
**electronic programming**
- **Noiseless ventilation**  
**system**
- **Professional use**  
**24h/24 - 7j/7**
