

PREMIUM RESELLER

PremiumFluids
Special effects in bottles

A LEADING BRAND

Deciding to develop its activity, **PremiumFactory** chooses to level up the special effects fluids production, by creating a leading brand: **PremiumFluids**®

PremiumFluids® has been made for demanding Professionals.

Our products have shown their efficiency and reliability by satisfying professionals for Show, Leisure and Events, in the most famous places in the world, during the last 20 past years. This experience benefits to you now.

QUALITY & STANDARDS

Made in France in our production unit located in Burgundy in the heart of Europe, **Premium Fluids**® are developed in the strictest international standards accordance.

In a completely mastered manufacturing process, from the raw material to the finished item, **PremiumFluids**® brings the users the guaranties of quality, control and traceability.

Our fluids are especially developed for **Universal-Effects** and **United FX** brands machines and can obviously work with the most part of special effects machines, raising up their optimal efficiency.
